

ACCESSORIES

2011 TACOMA

Whether you're interested in enhancing performance, styling, or protection, only Genuine Toyota Accessories give you complete confidence and peace of mind in your decision to customize your Toyota.

Why? Only Genuine Toyota Accessories are tested and approved for use on each Toyota vehicle. Only Genuine Toyota Accessories are specifically designed and engineered to comply with Toyota's safety and reliability standards. And, when purchased at the same time as your new vehicle, only Genuine Toyota Accessories are backed by Toyota's 3-year/36,000-mile New Vehicle Limited Warranty, valid at any Toyota dealership nationwide.

To learn more about the benefits of Genuine Toyota Accessories compared with non-Genuine accessories, please visit www.toyota.com/genuine or contact your Toyota dealer.

TACOMA TIX AND TIX PRO

Take your Tacoma V6 Access or Double Cab to the extreme with our new value-packaged Tacoma TIX and TIX Pro. The TIX setup starts with the TRD Off-Road Package, so you'll have all the hardware you need to drive to the ends of the earth and back. Unique 16-in. TRD beadlock wheels with BFGoodrich® Rugged Trail tires, a stainless steel exhaust tip and black tube steps complete the picture. The TIX Pro offers the same off-road package, wheels and tires as the TIX, plus a TRD performance exhaust and unique body side graphics that let everyone know this Tacoma is nobody's toy.

*The Tacoma TIX and TIX Pro are not available in all areas. Check with your local dealer for more information.

Be Genuine.

INTERFACE KIT FOR IPOD®

Enjoy the convenience of operating your iPod® through your vehicle's audio system, using either the steering pad or audio system controls, courtesy of the interface kit for iPod. Using a proprietary 30-pin Apple iPod connector—via a connection point in the glove compartment—you can connect, control and charge your iPod while it remains concealed in the glove compartment.

iPod and accessories not included. iPod is a registered trademark of Apple Inc. Please see dealer to confirm iPod applicability.

SATELLITE RADIO

Celebrate freedom from static and ensure you always have the perfect soundtrack for the streets at your fingertips with XM Radio¹. With over 170 channels, XM brings you more of what you love. Get commercial-free music plus all of your favorite sports, news, talk and entertainment along with dedicated channels for instant traffic and weather reports. Everything worth listening to is now on XM.

¹Functioning XM Radio requires a compatible receiver and monthly service fee. See your Toyota dealer for further details. Reception of the satellite signal may vary depending on location. All fees and programming subject to change. Subscriptions subject to the terms and conditions available at www.xmradio.com. XM Radio U.S. service only available in the 48 contiguous United States and the District of Columbia.

VIP SECURITY – RS3200 PLUS SYSTEM

The VIP RS3200 (Vehicle Intrusion Protection) is a complete vehicle security system with alarm, glass breakage sensor and keyless entry including remote lock/unlock. Your Tacoma security system activates immediately if the glass is broken or if forced entry of a side door (or the trunk) is attempted. The system also includes a wide range of convenience features including: remote rearming/relocking, door ajar warning, interior light activation, panic alarm, rolling code technology and disabling of the starter.

BLU LOGIC® HANDS-FREE SYSTEM

Enjoy the ultimate convenience of hands-free cell phone use—and comply with regulations restricting use of cell phones while driving—courtesy of the BLU Logic® Hands-free System. BLU Logic integrates with your factory audio system speakers, allowing you to answer incoming calls with the push of a button, while outgoing calls are as simple as speaking into the fixed microphone provided.

Visit blulogicupdate.com for a list of compatible devices.

BED NET

From tools to toys, athletic gear to groceries, the bed net holds a variety of smaller items, ensuring they don't shift around or tip over—while also helping keep your truck bed organized. Featuring durable nylon webbing, the bed net attaches to defined points at the front of the truck bed. It installs or detaches in seconds and folds flat for storage.

BED MAT

Custom-molded to fit your truck bed, this heavy weight bed mat helps provides superior abrasion resistance and tear strength that can take the punishment of daily use—even in harsh environments and extreme temperatures. A stylish pebble finish helps restrict shifting of cargo and, for added convenience, raised ribs that run the length of the truck bed facilitate easy loading and unloading of cargo.

BED EXTENDER

The Genuine Toyota bed extender uses lightweight, high-strength, aluminum tube construction to add convenience and versatility to your truck. Increase your usable cargo length by approximately two feet when the tailgate is open, or use as an enclosed cargo area to secure smaller items with tailgate closed. Easy-install hardware included.

LOCKING FORK MOUNT BIKE RACK

It's easy to take your bicycle along for the ride with this locking bike attachment. Custom-designed for a precise fit to your Tacoma's deck rail system, the bike attachment mounts anywhere along the front rail. Securing your bike is as simple as removing your bicycle's front wheel, positioning the forks into the skewer and locking—helping protect your bicycle from theft.

CARGO CROSS BARS

Engineered for seamless integration with the Tacoma's deck rail system, this set of two cargo cross bars enhances your truck's cargo management versatility and provide additional tie-down points for bed accessories. Cross bars also allow increased flexibility in using the bed cleats and mini tie-downs and feature a load capacity of 100 pounds across both bars.

2011 TACOMA EXTERIOR ACCESSORIES

CARGO NET

The cargo net is designed to hold a variety of everyday items—from groceries to athletic gear—and helps ensure they don't shift around, tip over or spill. Featuring a hammock-style design and durable elastic-mesh netting that attaches to defined points at the front of the truck bed, the cargo net makes it easy to keep your truck bed organized. The net installs or detaches in seconds, and folds flat for storage.

CARGO DIVIDER

Customize your truck bed for a wide range of needs with this multi-position cargo divider designed for your Tacoma's deck rail system. Use as a standard cargo divider to separate loads and prevent sliding, or rotate to various positions such as laying flat over your cargo. Made of corrosion-resistant, black powder-coated, lightweight aluminum the cargo divider features a 400-lb. load capacity.

Large Box

TOOL STORAGE BOX

Designed specifically for your Tacoma's deck rail system, the custom sidemount toolbox features a sturdy cam lock and lid support for superior security and strength—so you're assured of clean, secure storage and protection for your tools and other valuables. For added convenience, the sidemount toolbox can be mounted to either side of the vehicle in a total of four locations.

Small Box

As shown on the 2010 Tundra.

MINI TIE-DOWNS WITH HOOK

These fully adjustable, mini tie-downs further enhance the flexibility and utility of your Tacoma's truck bed. Each tie-down holds a maximum load of 110 pounds (220 pounds per set) and slides along the truck's bed rail system, using an inner tension spring that holds it firmly in place. The mini tie-downs are manufactured from sturdy black nylon plastic and each measures approximately 2" x 1".

TRUCK BED D-RINGS

Enhance the functionality and versatility of your truck bed by adding these factory spec D-rings for additional cargo carrying needs. Constructed from durable steel and painted black for an integrated appearance, the D-rings feature a loop-in-bolt design that's especially useful for ratchet type tie downs or heavy gauge rope. Sturdy construction and pivoting capability enable multiple positions and use.

BALL MOUNT AND TRAILER BALL

Designed for use with Toyota tow hitches to accommodate the drop or rise needed to match your tow-hitch receiver to your trailer, the ball mount undergoes thorough lab testing—in conjunction with the Genuine Toyota tow hitch—to ensure it meets all Toyota performance standards, along with on-road testing to ensure the ball mount matches the exact capacity of your vehicle.

Before towing, confirm your vehicle and trailer are compatible, hooked up and loaded properly and that you have any necessary additional equipment. Do not exceed any Weight Ratings and follow all instructions in your Owner's Manual. The maximum you can tow depends on the total weight of any cargo, occupants and available equipment.

7-PIN TO 4-PIN ADAPTER

When your towing needs are on the smaller side, the durable ABS plastic 7-pin to 4-pin adapter allows you to convert your round 7-pin connector to a flat 4-pin adapter with ease. It's designed specifically for use with your Toyota wiring harness and ensures an easy connection to a standard four-way flat trailer connection, providing a higher level of towing flexibility.

Before towing, confirm your vehicle and trailer are compatible, hooked up and loaded properly and that you have any necessary additional equipment. Do not exceed any Weight Ratings and follow all instructions in your Owner's Manual. The maximum you can tow depends on the total weight of any cargo, occupants and available equipment.

TOWING RECEIVER HITCH

Every Toyota tow hitch features a model-specific design that's precisely engineered to achieve your vehicle's safest maximum tow rating and is subject to an uncompromising design, testing and manufacturing process. Toyota tow hitches feature a dual-layer painting process for help protect against corrosion, the elements and from ultraviolet (UV) rays to maintain its long-term appearance.

Before towing, confirm your vehicle and trailer are compatible, hooked up and loaded properly and that you have any necessary additional equipment. Do not exceed any Weight Ratings and follow all instructions in your Owner's Manual. The maximum you can tow depends on the total weight of any cargo, occupants and available equipment.

WIRING HARNESS

The Genuine Toyota Tacoma trailer wire harness provides a 4-pin connector located on the trailer hitch to provide power to your trailer's brake lights, turn signals and taillights. Featuring a converter assembly, fusing, cables and connectors—all specifically designed to work with your Tacoma's existing electrical system—you can count on durable and reliable performance, as well as simple and convenient installation.

HOOD PROTECTOR

Featuring highly impact-resistant polycarbonate material offering superior strength, durability and flexural characteristics, the hood protector helps protect your hood and factory paint finish from damage that can occur during daily use. Mounting hardware and simple no-drill installation instructions included.

ROOF RACK

Add convenience and utility to your Tacoma with this sleek, low-profile roof rack that installs with ease to your factory roof rail channels. Featuring virtually effortless adjustment with no tools necessary, the Tacoma roof rack maintains Toyota high quality standards for quality, performance and strength. Available on Double Cab only.

RUNNING BOARDS

These sturdy roll-formed running boards are designed specifically to correspond with the Tacoma's unique styling cues, while providing easy step-in access to the vehicle. With integrated, skid-resistant step pads that provide for secure footing at all times, the running boards also feature a textured black powder coating, enhancing the Tacoma's rugged appearance.

TUBE STEPS

Durable five-inch oval tube steps add style and functionality to your Tacoma. Constructed of chip- and rust-resistant aluminum with a silver or black powder coat finish, the tube steps provide dual molded skid-resistant step pads on both sides of the Tacoma—providing a sturdy lower surface for easy entry and exit of the vehicle. Simple, no-drill installation to your vehicle's existing mounting locations.

BED STEP

The bed step provides a convenient and secure stepping platform, making it easy to get in and out of your Tacoma's truck bed. Featuring effortless hands-free operation, the ribbed, glass-reinforced non-skid step is easily accessed or retracted with the touch of a foot. Constructed of high-strength, die-cast aluminum.

Available Fall 2010.

EXHAUST TIP

This polished stainless steel exhaust tip is the ideal finishing touch to enhancing your Tacoma's exterior appearance. The exhaust tip is constructed of corrosion-resistant, double-walled 304 stainless steel, polished to a brilliant shine for long-lasting beauty. Easy, bolt-on installation.

**FRONT SKID PLATE**

The front skid plate is made from 1/8" stamped and formed, silver powder coated aluminum and features a vehicle-specific design that helps to protect your Tacoma's underbody from damage that could occur from various types of road debris. Black coated steel brackets attach to existing vehicle body mounts facilitating easy, no-drill installation.

WHEEL LOCKS

Constructed of forged, thoroughly hardened and tempered steel for structural integrity, with triple-nickel or zinc plating, these wheel locks provide inexpensive, dependable protection against wheel and tire theft. All wheel locks are precision weight-balanced to the stock lug nut weight, eliminating the need for rebalancing after installation.

BAJA 16" ALLOY WHEELS

Give your Tacoma a whole new look with these rugged, sporty, alloy wheels. Their six-spoke styling perfectly complements your Tacoma's rugged appearance.

SPARE TIRE LOCK

Constructed of forged, hardened steel with triple-nickel or zinc plating, the spare tire lock provides inexpensive, dependable protection to help safeguard your exterior mounted spare tire from theft. The lock permanently attaches to your spare tire's crank-down mechanism and features a special wheel lock key tool that conveniently attaches to the crank-down tool provided in your vehicle's tool kit.

ASHTRAY KIT

Featuring a UV protected plastic cup and hinged lid that fits snugly inside the Tacoma's cup-holder, this self-contained unit offers an easily removable ashtray. Convenient for both driver and passenger use, it helps prevent flyaway ash.

CARPET FLOOR MATS

Custom-tailored for an exact fit to your Tacoma's floor pattern, the carpet floor mats are constructed of high-grade plush nylon carpet, color-matched to your vehicle's interior and include an embroidered Tacoma or TRD logo. A retention clip helps keep the mats in position, protecting your original carpet from premature wear and stains. They're also removable and easy to clean.

BEDRUG®

Custom-molded to fit your Tacoma's entire truck bed including the front, floor, wheel wells and inside the tailgate, this innovative 100% plastic BedRug® looks and feels like real carpet. It's also slip- and skid-resistant, helping cargo stay in place during quick acceleration, hard braking or sharp turns. And, it's treated to resist fading, mildew, chemicals and stains for long-term durability.

FIRST AID KIT

This soft-sided, black PVC zipper case is designed to mount inside the cabin or cargo area, ensuring practical first aid supplies are always close at hand. Contents include tweezers/magnifier, insect sting pads, towelettes, adhesive bandages, butterfly strips, sterile gauze, stretch bandage with metal clips, muslin sling, adhesive tape, scissors and an emergency blanket.

EMERGENCY ASSISTANCE KIT

This durable nylon kit features tools and supplies for handling minor emergency situations and repairs, without having to wait for a tow truck or repair service. Contents include booster cables, tire pressure gauge, hose clamp/tape, pocket tool and work gloves—plus essential emergency supplies such as survival wrap blankets, poncho, flashing LED lights, flashlight/lantern and water bag.

DOOR SILL PROTECTORS

These tough door sill protectors help protect the door sill area from the countless scuffs and scrapes your truck might encounter on a daily basis. Featuring a practical, skid resistant surface and the Tacoma logo, these durable door sills help provide a long-lasting, new vehicle appearance. Quick, simple installation.

TRD PERFORMANCE BRAKE PADS

Boost braking performance and reduce fade during repeated stops or extended downhill driving with TRD's high-performance, high-friction brake pads. Made from an aramid- and ceramic-strengthened compound, TRD brake pads deliver an optimum combination of cold and hot friction, with minimal brake noise and enhanced stopping power. They offer an excellent price-to-performance ratio in a high-performance street pad.

TRD HIGH PERFORMANCE BRAKE KIT

Delivering confidence-inspiring performance, the TRD high-performance brake kit features a four-piston opposed, fixed caliper designed specifically for your vehicle. This optimized design also helps you achieve maximum stopping power, while the one-piece rotor design ensures durability under the harshest conditions, with no special maintenance required. The kit also includes performance brake pads and stainless steel braided brake lines. (XRunner models only).

TRD PERFORMANCE AIR INTAKE

The dyno-tested TRD cold air intake system creates more horsepower and torque by bringing cooler, denser air to the engine. The cold air intake features a low-restriction air filter in a special molded filter housing. It also incorporates a vacuum indicator that automatically indicates when the filter should be serviced. Emissions legal in all 50 states.

*Emission-legal for aftermarket sale via C.A.R.B Executive Order. This part may not be sold with a new vehicle and may not be financed together with a new vehicle.

See back cover for purchase restrictions.

TRD RADIATOR CAP

Upgrading to a TRD high-pressure radiator cap can help your vehicle perform better under pressure. That's because this radiator cap is designed to release at higher cooling system pressures than stock radiator caps, raising the coolant boiling point to help enhance vehicle performance—and provide valuable protection for your engine—under high rpm or high load operation.

TRD AIR FILTER

Providing engine protection and potentially increasing engine output, the TRD high-performance air filter features a unique, oiled four-ply cotton gauze design that maximizes the filter's media area for superb filtration and enhanced airflow. A rugged polyurethane body holds the filter element, which is enclosed in durable epoxy coated mesh and an elastomeric seal for a precision, leak-free fit. It's also washable, reusable and designed to last the lifetime of your Tacoma.

TRD OIL FILTER

Spoil your Tacoma with state-of-the-art engine protection, courtesy of the TRD high-performance oil filter. TRD oil filters use a 100-percent synthetic fiber filtration medium to provide the highest possible dirt removal efficiency, along with the lowest possible flow restriction.

TRD OIL CAP

They may go on like the stock oil cap, but these highly polished forged billet aluminum TRD oil caps provide a customized race-ready look that's anything but stock. Finished with a high-luster coating, you can be confident they will maintain their appearance for years to come. Available in two styles. Simple, twist-on application.

TRD 16" OFF-ROAD BEADLOCK ALLOY WHEELS

Constructed of low-pressure alloy, these TRD 16-inch off-road beadlock wheels offer Tacoma owners a distinctive and rugged upgrade to their stock wheels. They provide a higher strength-to-weight ratio for optimal performance and feature a bronze painted finish and machined outer lip with beadlock styling. TRD-embossed snap-in center cap included.

TRD WHEEL INSTALLATION KIT

The TRD wheel installation kit includes 20 - 12mm conical spline-drive lug nuts along with 4 puzzle-style wheel locks and matching key providing inexpensive, effective protection against wheel and tire theft. The lug nuts and locks are constructed of machine hardened steel with triple-nickel chrome plating for a bright, durable finish and are precision weight-balanced to the stock lug nut weight—eliminating the need for rebalancing after installation. Each lock features a laser-etched TRD logo.

TRD WHEEL LOCKS

Constructed of forged hardened steel and made specifically for TRD wheels, the alloy wheel lock set helps give you inexpensive, yet effective protection for your wheels. The set includes four conical seat 12mm puzzle-style wheel locks and matching puzzle key. They're also triple nickel plated for a bright durable finish and each lock features a laser-etched TRD logo.

TRD 16" OFF-ROAD ALLOY WHEELS

Incorporating rugged off-road styling—and just the right amount of street flare—these race-inspired, five-spoke TRD 16-inch off-road alloy wheels give you extra muscle for serious off-highway driving adventures. The wheels feature painted satin silver spokes and center, with a spun aluminum center cap and bright machined lip.

TRD QUICKSHIFTER

The race-tested TRD quickshifter delivers faster, more positive shifting, courtesy of optimized linkage and repositioned pivot points that provide up to a 30-percent shorter shift throw—plus a sportier, more responsive feel. The quickshifter features a unique TRD shift knob engraved with the shift pattern to accelerate your vehicle's unique personality, along with simple remove and replace installation.

TRD 4.0L V6 SUPERCHARGER KIT

Increase your passing power and towing capacity with the TRD intercooled supercharger system kit for your Tacoma's 4.0L V6 engine. Featuring an air-to-liquid intercooler that increases torque and horsepower from idle to redline, the system produces 304 hp @ 5,400 rpm and 334 lb.-ft. torque @ 3,600 rpm (from 236 hp @ 5,200 rpm and 266 lb.-ft. @ 4,000 rpm). You can also count on immediate throttle response, along with substantial increases to towing capacity and acceleration. The system uses a strong, compact one-piece plenum/manifold that integrates Eaton roots-type rotating components, Gen 5 rotor pack and the heat exchanger core for the intercooler. All hardware needed for a "factory installed" appearance is included in the kit. And, because the supercharger features self-contained lubrication, there's no maintenance required on the supercharger or system components.

See back cover for purchase restrictions.

TRD CAT-BACK EXHAUST

The TRD cat-back exhaust delivers the increased power you want, adding a distinctive edge to your driving experience. Made from stainless steel for superior corrosion resistance and featuring a TRD-logo-etched tip, the unique cat-back design features a side exit to maximize departure angle, allowing for a less restrictive exhaust path—providing an impressive combination of increased horsepower and a deep, throaty growl that meets the legal 95-decibel noise limit.

TRD 6-SPEED SHIFT KNOB

Amplify your vehicle's unique character with this retro-style TRD ball-type shift knob. Featuring the 6-speed shift pattern on top and a red TRD logo engraved on the side, the shift knob delivers an enhanced shifting feel, while providing an impressive addition to your interior. Designed to fit M12x1.25 metric Toyota shift levers, the shift knob is easily installed for a tight, precise fit.
